personalized luggage tags

do it yourself

Step One: Purchase one of our Self-Laminating Luggage Tags for each guest.

Step Two: Download our luggage tag templates from **containerstore.com/shower** and buy heavyweight matte paper for printing.

Step Three: Use a ruler and an X-ACTO® knife to trim. Place tag in our luggage tag holder, and seal.

Step Four: Tie color-coordinated ribbon through the hole in tag.

Step Five: The back of the label has space for a name, phone number and address.
