

a refreshing party favor
sparkling pomegranate water

do it yourself

Step One: Start with our Giara Hermetic Glass Bottles. The seal keeps your beverages fresh.

Step Two: Buy sparkling water, pomegranate or grapefruit juice, and weatherproof sheet labels.

Step Three: Mix the sparkling water and juice to taste! Some like it sweet, some like it tart. You choose.

Step Four: Download our Sparkling Drink Labels at containerstore.com/shower.

Step Five: Print our label on the weatherproof sheet labels. Follow the instructions that come with the sheet labels.

Step Six: Affix label to the bottle, and top with a thank-you tag over the stopper.

Step Seven: Add our Paper Straws and voilà, a delicious and stylish treat for your guests.
