

1) Place your paper face down on your table. Fold the right and left sides in until they meet in the middle and overlap some. Tape the seam.

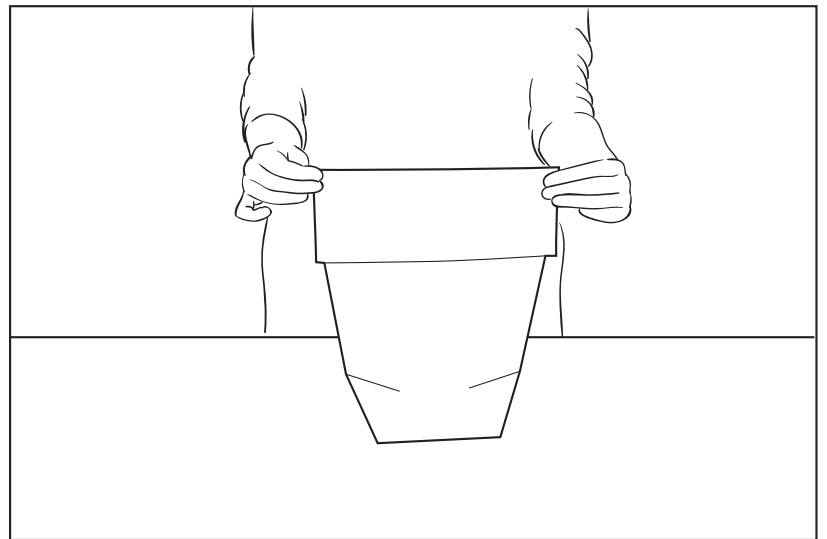

2) Fold the bottom of the paper up, creating a flap.

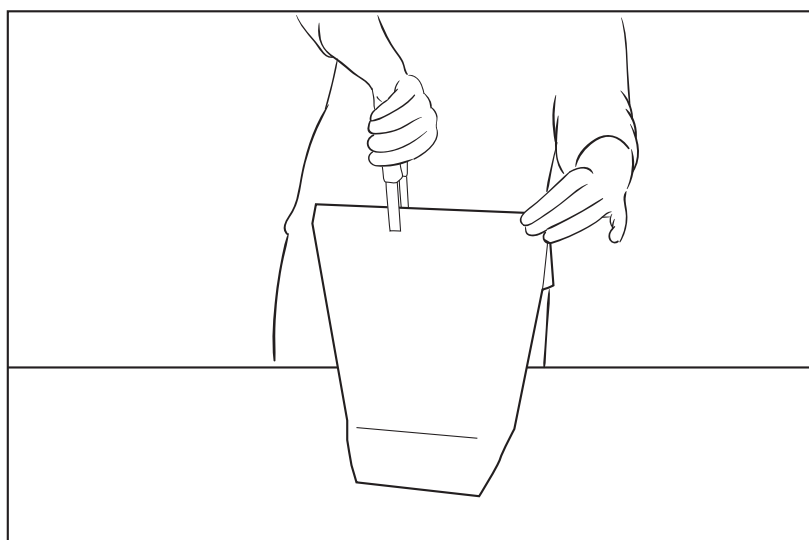

3) This is the trickiest step in how to make a gift bag, but it's easy after you do it once! Separate the two pieces of wrapping paper and flatten out the corners to create a diamond shape.

4) Fold the top and bottom corners in toward the middle of the diamond. Tape in place.

5) Open your bag. Then fold the top of the bag over to the back side. Use your hole punch to punch holes for the ribbon of your choosing.

6) Attach a gift tag, tie a bow, and you are DONE!
