

The Container Store Brand Trash Cans

10-Year Limited Warranty

Our private label trash cans are made from high quality materials and they are designed to last. Each comes with a limited ten-year, non-transferable, warranty from the date of purchase.

What the warranty provides you. During the warranty period, The Container Store warrants that its private label trash cans (each individually, a "Product") will be free from defects in material and workmanship when used in a private household. For the duration of the warranty period, The Container Store will repair or replace, at no additional charge, any defective component of the Product or the entire Product itself.

What is not covered. The warranty does not apply to any damage resulting from normal wear and tear, accidents, abuse or misuse, abnormal physical stress, use contrary to any instructions, neglect, negligence, or abnormal environmental conditions. All warranties are void upon any commercial use of the Product.

Limitation of Liability.

Notwithstanding the foregoing, except for the express warranties contained above, in no event shall The Container Store be liable for any indirect, incidental, special, consequential, exemplary or punitive damages, including without limitation lost profits, loss of goodwill or reputation, arising out of or relating to this agreement, regardless of the form of the action or claim or the theory of recovery, even if advised in advance of the possibility of such damages.

The Container Store's aggregate maximum liability is limited to the monetary retail value of the product when purchased. If The Container Store cannot obtain original materials with commercially reasonable efforts, The Container Store may replace with a similar product or refund the original retail cost of the Product at its election. Dated proof of purchase may be required for any claim under the warranty.
